

# I'm All Shook Up

1950's rock and roll

Music and lyrics by CAROL BOYD LEON

Shake me front, shake me right, shake me to the back. Shake me

left, shake me up, shake me to the ground. Shake me

ev' - ry - where 'cause God is all a - round. Come on, now shake me up.

I'm a lu - lav, so

shake me in the air. I'm a lu - lav, so

shake me here and there. I'm a lu - lav, so

shake me ev' - ry - where. I like it when I'm all shook up.

Shake me
