

# Noah, Oh Noah

Music and Lyrics by CAROL BOYD LEON

No - ah, oh, No - ah, lots of rain is on its way. 'Gon - na  
Two kit - ty cats will come a - pur - ring a - long,  
Two speed - y ti - gers will come leap - ing in - side,  
Rain's gon - na stop and then the sun - shine we'll see and

rain and pour for - ty nights, for - ty days.  
Two cheer - ful blue - birds will come sing - ing a song.  
Two tall gi - raffes will come a - hitch - ing a ride.  
God'll make a rain - bow for you and for me.

No - ah, oh, No - ah, you must ham - mer all day long, Build an  
Two lit - tle mice will whis - per, "Squeak, squeak, squeak."  
Two hip - po - po - ta - mi will stomp right a - board,  
It will be a pro - mise that for - ev - er and a day, God' s

ark of wood, make it big, make it strong.  
Two green frogs will jump right out of the creek.  
Crea - tures all will come at the com - mand of the Lord.  
love will shine on us and with us will stay.

Yes, dear No - ah, help the an - i - mals go in, Take in  
Rain' s gon - na come to wash the e - vil all a - way and we' ll

small, take in tall, take in wide, take in thin.  
get a brand new start on a bright, sun - ny day.
